

Play a Vital Role in the State Theatre Renovation

Your message will be inscribed on a prominent brass plaque on the armrest of your seat(s). Your plaque can feature:

- A memorial for your deceased parent, friend, or loved one
- Recognition of your child for a special achievement
- A romantic tribute to you and your spouse or significant other
- A simple, straightforward plaque with your name

To encourage everyone to get involved, you can choose to spread your payments over up to five years, allowing you to support the project in installments that are affordable for you. For the 5-year option, that is \$300 a year – less than \$1 a day! Or you can pay all at once if you prefer.

Please help support the State & Michigan Project in this unique and enduring way. Every time you visit the State Theatre, you can visit your own special seat. Every time someone sits in that seat they will see the generous gift that you made when it was needed most.

THANK YOU FOR YOUR COMMITMENT!

New Theatre, New Seats!

Comfort is one of our key goals in planning the renovation of the State Theatre. Excellent viewing angles, more legroom and comfortable seats will be features of the new State Theatre.

The new seats will have modern high-backs, cup holders for your favorite beverage, and lots of legroom. The fabric has been carefully selected for both elegance and durability.

Best of all, you can sponsor a seat yourself! We are offering everyone in the community an opportunity to participate in the State's renovation in a very meaningful way!

We need your help. Please join in and leave a lasting legacy to show you were a vital part of making the renovation possible.
